### Europa-Park and Rulantica are among the best in Europe

Europa-Park and Rulantica received several awards at the IAAPA Expo Europe in London, the largest and most important trade fair for the leisure industry on the continent. The British trade magazine 'Park World' chose Germany's largest theme park as 'Best Large Park' at the 'Park World Excellence Awards'. The expert jury from the trade magazine awards the best operators, suppliers, manufacturers and entertainment specialists from all over Europe, the Middle East and Africa.

At the 'European Star Awards', the magazine Kirmes & Park Revue also named Europa-Park as 'Best Major Theme Park' and the Voletarium as 'Europe's Best Dark Ride'. Rulantica was delighted to receive second place in the category 'Europe's Best Water Parks'. The newly-opened round trip ride 'Tønnevirvel' in the outdoor area of the water world made it into the top 10 in the category 'Europe's Best New Rides 2022'. The 'European Star Award' was presented for the 11th time, and is considered Europe's most important prize for the best leisure and water parks on the continent. Awards were given to the best theme parks and water parks, the most breath-taking innovations and the most spectacular attractions and rollercoasters.
