With an absolute record attendance in the history of Germany's biggest theme park (almost 30 years), Europa-Park in Rust/Baden has started its Halloween-Festival Week, which continues until November 7th. Almost 40.000 visitors, 10.000 of them SWR3 fans, came to see the great Halloween spectacle and celebrated the biggest Halloween-Party in Germany.

With the Halloween-Festival - a creepy show with laser, fireworks, water and a special show-programme - and many additional Halloween themed attractions, such as the Horror Catacombs or the horror film "Haunted House? in our Magic Cinema 4D, Europa-Park has attracted more visitors than ever before in its history. Because of the high number of visitors, the managers of Europa-Park decided spontaneously to organise a second Halloween-Festival and to open the attractions far into the night. For all visitors who want to experience the Halloween-Festival (until November 7th), Europa-Park offers a special evening ticket for 8,- ? (including fees), which allows visitors to enter the park from 5 pm on.

From November 8th until November 26th, Europa-Park will close its doors in order to decorate the park for the "magical Winter Weeks?, which will start on November 27th with the 3rd Santa Claus Gathering.
