Gross total area: 25,000 m²

Gross cubature: 75,000 m³

Total floor space: 7,000 m²

Basement floor space: 7,000 m²

Total area site: 40,000 m²

Theming

General: New England during the 18th and 19th century, with maritime touch following the style of the New England coast colonisation by pilgrims and English seafarers

Lobby and hallways: typical New England Shaker style: plain, puristic design, winter gardens, upscale building materials, precious wood flooring

Standard rooms: maritime New England style, lush wallpapers, light wood panelling, plank flooring, themed furniture

Suites: all suites feature individual theming, for example according to different English colonies or contemporary personalities (e. g. Sir Francis Drake or Admiral Horatio Nelson)
